Description

- This 2-ply design is reusable and washable. Deep stretch provides a clean and secure fit with no binding or chafing.
- Bamboo is naturally anti-bacterial, thus stopping odor producing bacteria from growing, allowing it to remain fresh smelling.
- Bamboo is highly breathable. It stretches more than cotton and wicks away moisture 3 to 4 times faster.
- Due to its softness and durability, it is the material of choice to be in direct contact with the skin.
- The structure of the Bamboo fibers make our masks more breathable and thermal regulating than others.
- Our bamboo fabric is pre-shrunk, easy care – Washer drier friendly. It doesn't fade or pill even after repeated washes
