

Project: Holiday HappyFeet!

This Christmas I'm asking for donations of warm socks or money. For example, a pair of nice cozy insulated socks from Marks is \$10, but anything that you can give would help.

I will make care packages at my house and then my family, and hopefully, some friends, will go out in Vancouver and donate socks for homeless people.

I've always wanted to do this because since I was little I've always felt bad for the people sitting on the street. The deadline for donations is November 30th and we will be going to hand out our cozy care packages on Saturday, Dec. 3rd.

Please donate whatever you can to help fund my "Project Holiday Happy Feet"!

Thank you for your support 😊

Gabe Copeland
